ABOUT THE PROGRAM

Thanks to PNC and other University Circle partners, UCI now offers the Clean and Safe Ambassadors in the University Circle neighborhood. Through a partnership with the Downtown Cleveland Alliance, you will now see red-uniformed Ambassadors patrolling our streets with friendly faces, keeping our community clean and safe.

PROBLEM WITH PANHANDLING?

IT'S OK TO SAY NO!

All too often giving money perpetuates the problem. Many homeless are not panhandlers, and many panhandlers are not homeless. If you experience panhandling, just call a UCI Ambassador.
