Updates:

- Borders shared with the group that Little Italy is in the process of creating its own Special Improvement District. This is not a process that we are spearheading. We will keep this committee informed of their progress.
- Chief Wetzel shared the UCPD 2025 annual report, attached.
- Chief Wetzel shared statistics from the department, attached.
- Chief Wetzel provided a general update of department staffing and community engagement projects.

Guest Michael Graham, UCPD Security Director, provided an update on the Citizen Review Board (CRB). The board currently has five members who represent various sectors of stakeholders. They are not officers, employees or trustees of UCPD or UCI. The CRB reviews any complaints brought by citizens using an outside investigator. Overview attached.

Chair Seelbach asked the group for any additional topics for future meetings. The group identified a desire to learn about/discuss the following:

- Equipment needs
- Continued communications plans
- Crime-reduction tactics
- Property-owner services
- Future stakeholder surveys
- Curb Lane Management
- Defining/measuring safety
