

Take the Next Step in Your Career at Case Western Reserve University

At Case Western Reserve—one of the top research universities in the country and the No. 1 school in Ohio—we offer a dynamic, service-oriented culture to ensure the safety and well-being of our entire community. Located in Cleveland's University Circle neighborhood, our campus is home for more than 12,000 students and nearly 7,000 faculty and staff members.

Join us for a job fair, sponsored by Cleveland City Councilman Kevin Conwell, where we'll hold **on-the-spot interviews** for a variety of open positions at Case Western Reserve. We'll walk you through the application process and talk with you about your career at CWRU.
